Message From Your PC Candidate

Ladies and gentlemen, I would first like to thank you for coming out on December 4th to support the fine candidates this riding is known to produce. The fact that we had a record number of participants is a testament to our riding's long standing history of supporting the Progressive Conservative Party and the quality of leadership Mr. Rick Greene, Brian Ostrander and John Floyd brought forth during the race. I extend my deepest gratitude to the aforementioned gentlemen, as it is not easy to stand up for what, not just you believe in, but the common value we all share. These gentlemen have shown they truly care about, not just this riding, but the province of Ontario, and Canada as a whole.

December 4th was not just about selecting a candidate to represent you and your loved ones at Queen's Park in the up coming election; it was about bringing the fundamental values we all share, and know to be true back into the fold. However, I am just one voice, one person, with a course of action dictated by you, the people of Northumberland Quinte West. It is ONLY through you that I will have the ability to bring your wishes, ideas and dreams to fruition. This being said, it is time for you to follow through with what you so passionately believe in. Collectively we must move forward, as the Liberals will stop at nothing to ensure their tax and spend policies, which have had a negative fiscal impact on us all, remain intact.

In the coming months we must be vigilant in reminding our families, friends, and the media that a McGuinty led Liberal government will lead to more waste and mismanagement of your hard earned money. We have seen, over the last seven years, a Liberal government that has increased taxes, introduced the Eco-fee, lost millions in the E-Health scandal and given millions more to Liberal friends in nontenured contracts; to say nothing of the ever increasing hydro bills. We need to send a clear message to the Liberals that this type of "leadership" will not, and can not, be tolerated.

In reaching out to you today I would just like to remind you that there is hope; there will be brighter days ahead, but it starts with you! You have the ability to make this change a reality. Together we can make a formidable force which can make a difference in your life, and the lives of all Ontarian's. Rest assured I will be a strong voice for you at Queen's Park, but I will need your help in getting there. Therefore, I ask you today to become an active participant in your democratic right. Please get involved by volunteering; no matter how small the contribution may be, it will make a difference!

Thank you, and please do not hesitate to contact me with any concerns, or ideas, you may have.

Sincerely Yours,

Rob Milligan
